Sally go round the roses (Sally go round the roses)
Sally go round the roses (Sally go round the pretty roses)
Roses they can't hurt you (roses they can't hurt you)
Roses they can't hurt you (no, the roses they can't hurt you)

Sally don't you go, don't you go downtown
Sally don't you go-oh, don't you go downtown
Saddest thing in the whole wide world
Is to see your baby with another girl

Sally go round, oh Sally don't you go, don't you go downtown
No, don't you go downtown
Saddest thing in the whole wide world
Is to see your baby with another girl

Sally go round the roses (Sally go round the roses)
Sally go round the roses (Sally go round the pretty roses)
They won't tell your secret (they won't tell your secret)
They won't tell your secret (no, the roses won't tell your secret)

Sally baby cry, let your hair hang down
Sally baby cry, let your hair hang down
Sit and cry where the roses grow
You can sit and cry, not a soul will know

Sally go round, oh Sally baby cry, let your hair hang down
Yes, let your hair hang down, yeah
Because the saddest thing in the whole wide world
Is to see your baby with another girl

Sally go round the roses (Sally go round the roses)
Sally go round the roses (Sally go round the pretty roses)
Sally go round the roses (Sally go round the pretty roses)
