Ohhh yeah no I cant sorry to say,

baby'
can't let go of the wonderful sprit I have here on earth,
just you and me in this song baby'
no-one can take what we did together away baby"
gotta deal with whats been done other wise you go
under yeah

chorus

I found you now I dont want to loose you
you bring me what I never had before
comfort with love
come on, show me your love, smile, an thoughts of me
come on never loose your passoin towards me'
Can't let go [can't let go] of you

I found life I found myself,
I found the love I learnt my lessons
now what door do I go through?
I wanna go the right way an the wrong way just to learn,
I dont want if or buts, Just gotta be me an run with it,
yeahh

I found you now I dont want to loose you
you bring me what I never had before
comfort with love
come on, show me your love
come on never loose your passoin towards me'
Can't let go [can't let go] of you.
