Day Dream

woke up this morning,
had it on, right until I saw you
I started to day dream,
I Felt I Had no choice
but to remember you or else
I'll go back to the old me I hate the most,
you've changed my life,so much
How do I repay you for everything,
everything, yeah

chorus

how do I keep on day dreamin,without knownin
you still love me like I love you'
if it changes i'll be deverstated,
I could never live without your love,
known baby,
I can sing a thousand words, I can learn
this song over an over again
cant get enough of you,
ohhh ohh yeah,

they say I day dream, an never listen, to whats been
said
ohh yeah,
they say I day dream cause I'm crazy in love with you,
with you with you
How did I find you, how did i know you were the one, I
could day dream about,

chorus

how do I keep on day dreamin,without knownin
you still love me like I love you'
if it changes i'll be deverstated,
I could never live without your love,
known baby,
I can sing a thousand words, I can learn
this song over an over again

cant get enough of you,
ohhh ohh yeah,
