Do It all

Ohh yeah
Just do it, all
In paitience,
Just do it all,
without fustration's
Just do it all,without commenting,
baby
take No regrets,
just give us your wonderful smile
We love to see,

ohh yeah

Dreams, can come true,
if you just believe,In yourself,
Forgive & forget, the things
you hate to remember,
Just do it,all in paitience,
don't feel unreal,
When you know deep within you truly are,

Don't care,Take a chance,
and Listen To the good things,
That people say to you,'
Just give your heart, of gold,
to them,baby

Chorus

Just do it all,
in paitience,
Just do it all,
When you can manage,
Spend less, time worrying,
Spend less, time, Wondering,
just have, fun,
Do it all in paitience,
Do it all, the minute you know its right,baby

Just do it all,
Don't worry about the clock
Just do it all, baby
yeah

Do it all, For me,
Do it all, for me, baby
yeah ohh yeah
Do it all, for me,

Chorus

Just do it all,
in paitience,
Just do it all,
When you can manage,
Spend less, time worrying,
Spend less, time, Wondering,
just have, fun,
Do it all in paitience,
Do it all, the minute you know its right,baby
