Don't give in

holding that word I hate to say in,
but one thing I was always taught was'
Don't give in no matter how hard it can be oh baby,
you just gotta hang strong

chrous

don't give in
baby
just think of family
it always work's
just don't give in yet
there are people who believe in you so far

I know your in pain
I know you feel like hell
just hang in, and try to find something
that will make you happy at this point in time

just don't give in
it'll break my heart seeing you that way

chrous

don't give in
baby
just think of family
it always work's
just don't give in not yet not ever
to much for me if you do'

could this be i've tried,
I always get what I don't want
don't give in not yet not ever
no matter how hard it can be,
you just gotta hang strong

ohh yeah

don't give in.
