Down To Earth

shaking my head  
dreaming, someday I might  
Get down to earth with love,  
love me yeah oh yeah

your all i ask, to come forward for me, baby  
I want you to touch my soul  
Bring me light  
HOLD me Like No Tommrows Gonna Come

Chrous  
If I could only see you now,  
I'd be satisfied,  
Your all I want to be extroridnary  
I want to be down to earth with you,  
IN my life, Oh yeah in my life,

whats it take to get you to take me as I am,  
I love you I wanna be with you  
I want you to know I don't take ifs or buts  
Just hold me like no tommrows gonna come  
I want to be down to earth with you..

With you..

Stand in my circle  
I hope you know your going to be all ok  
When your with me like I feel when I'm with you..Baby  
lets get down to earth

Down to earth  
ohh yeah  
Lets sing a song,  
Hope tommrows gonna come

lets have enough  
And be satisfied,  
Baby

Lets get down to earth  
Lets sing, it Til we both realise

we really are a match..

Chrous  
If I could only see you now,  
I'd be satisfied,  
Your all I want to be extroridnary  
I want to be down to earth with you,  
IN my life, Oh yeah in my life,

Lets get down to earth baby
