dream on
dream on
dream on
dream on

you and me in a dream
together forever
i always wanna be by your side
you know ive got nothing to hide (alright)

for you i pray everyday
listen boy hear me when i say
how im feeling cant you see
dont you want me

dream on when the love is gone
everytime your down youve gotta move on
dream on when the love is gone
youve always gotta move on

i will always believe
were two of a kind
and i only wanna see with this time
im waiting for the world to be mine (alright)

for you i pray
everyday listen boy
hear me when i say
how im feeling cant you see

dont you want me

dream on when the love is gone
everytime your down youve gotta move on
dream on when the love is gone
youve always gotta move on

dream on when the love is gone
everytime your down youve gotta move on
dream on when the love is gone
youve always gotta move on

dream on
dream on
dream on

dream on when the love is gone
everytime your down youve gotta move on
dream on when the love is gone
youve always gotta move on

dream on when the love is gone
everytime your down youve gotta move on
dream on when the love is gone
youve always gotta move on
