Fly away'

You know, Being so beautiful, like a butterfly
can be very special except, Most of the time,
I just wanna be normal than fly away
without' any frustrations, being held in my mind!

chorus

Your the one I want to fly away with"
Only Wish I understood the passage way
through my life"
ohh yeah
Your the one I want to fly away with"
To be safe, and no longer heard
Just wanna live in a world where you can live forever!

Remember this, remember me,
Don't leave me in tears'
It's too much to take,

Chorus

your the one I want to fly away with"
only wish I understood the passage way
through my life"
ohh yeah
Your the one I want to fly away with"

To Feel no emotion's
To feel, no hurt
to just have that faith and dignity In you"
