go with your heart desire

yeah Ohh yeah

Time seems to be going fast  
People these days are getting out of hand ,  
People say their dreams will never come true

I say if I was you,  
Think about it  
If you just follow your dreams,  
No matter what it takes  
It will be true  
It's always what I've believed in, just  
Go With YOUR heart desire,

My world is not much luck if I'm not strong  
and doing what I gotta do, for a living,  
Do anything oh I'd do, anything

say what you think is true to yourself  
Oh believe,  
Never take pride,  
Just Go with your heart desire,  
DO all the things that make you happy,

Chorus

I say if I was you,  
Think about it  
If you just follow your dreams,  
No matter what it takes  
It will be true  
It's always what I've believed in, just  
Go With YOUR heart desire,

Go with your heart desire  
Ohh yeah  
Yeah

Do what makes you happy,

Yeahh
