I Don't know why

I dont know why
I spend most of my time worrying about
where i'm gonna land in another few years time
I feel like running scared,
I don't know why I feel so uptight
I just wanna enjoy The life I chose
to live, oh yeah

I feel I've changed alot,
I feel so uptight
and I don't know why
I'm feeling so mixed in emotions
I'm in pain without love,
I realise,

Who am I?
Ohh yeah

I don't know why
I do this time to time
I don't know why...

Who has my answers
Oh I know truth can hurt
I know people can admit truth bout you
And you dont want to hear it,

its hard Oh baby

I don't know why
Who am I?
Ohh yeah

Who Am I?
To keep turning around,
Who am I?
I dont know why I lie
I dont know why, I turn around and say no,

I just dont know..
