I think it's love
maybe it's like
I'm interveiwing my heart
Trying to get the answer to my Question
I'm feeling kind of strong
when I look at your face
I see love
and I feel everything around changes

Chorus

I think it's love
I'm falling for you again
It's a hard thing to explain..
I hope you understand
that I think it's love
I think it's love
and oneday it might end up being true

Yes or no Do you like me?
yes I think I love you
I'm so up and down with love
It turns around everytime I think

My life may not be perfect now
but I know I can make it change
Ohhhhh
I think it's love
and nothing I know can make that change
your all I find extraordinary
Your my favourite word

Chours

I think it's love
I'm falling for you
It's a hard thing to explain
I hope you understand
that I think it's love
I think it's love
and oneday it might end up being true.
