I think you have a wonderful soul

I think you have a wonderful soul  
and I think you deserve to know  
love who you are  
can I say what I thinka bout you  
even though you are related to me

you make me strong inside  
you give me love that I couldn't live without  
You show me you really care inside cause  
you have a wonderful soul

wish I was still that true person inside  
wish I hadn't of gone over the limit  
in the jealous games  
I wish I could Spend My Life  
Living INSide My Dreams

I think you have a wonderful soul  
and I think you deserve to know  
love who you are now know  
I can't live without knowing your there  
where I need you the most  
how can I be strong If I dont know  
you are

You make me strong Now  
Most people Wouldn't understand Why I feel this way  
My life seems ok but truly it's not perfect like most  
people  
would think Oh yeah  
I think you have a wonderful soul  
and I think you deserve to know  
I think you have a wonderful soul  
now know that this will be forever  
and that hate will be never..

I think you have a wonderful soul..  
and I think you deserve to know.
