it makes me go mmm
mmm mm mmm

it makes me go mmm
moving my body to you
it makes me go mmm
making my dream coming true
it makes me go mmm

now i know how love can really be
in a life where its only you and me
everytime i see you i get week
everytime you touch me i feel the heat

wanna be with you
yes its true

it makes me go mmm
moving my body to you
it makes me go mmm
making my dreams coming true
it makes me go mmm

filling up a world
where we can be as 1
no more lonely nights
since you came around
oh i hope that you will always stay
that you never ever will burn away

wanna be with you
yes its true

it makes me go mmm
moving my body to you
it makes me go mmm
making my dream coming true
it makes me go mmm

mmm mmm mmm

mmm

mmm mmm mmm
mmm mmm mmm
mmm mmm mmm

wanna be with you
yes its true

it makes me go mmm
moving my body to you
it makes me go mmm
making my dream coming true
it makes me go mmm

moving my body to you
it makes me go mmm
making my dream coming true
it makes me go mmm

mm mm mmmm

it makes me go mmm
moving my body to you
it makes me go mmm
making my dream coming true

in a life where its only you and me
everytime i see you i get weak
everytime you touch me i feel the heat

wanna be with you

moving my body to you
it makes me go mmm
making my dream coming true
it makes me go mmm
