Misunderstood

Someday I want to be flying without wings  
someday I wish my good dreams would turn into  
reality,  
I can't believe how I just misunderstood It all,  
Who am I ? I feel so unbelievable right now

Chrous

I can't believe I misunuderstood it all'  
What will happen when I get A job interveiw,?  
will the same thing happen?  
I hope not,  
Lets not try an misunderstood it all next time

Oh sometimes I just feel I know nothing  
But then sometimes I feel I know everything

I willl never give up on myself loving life  
I will never give up no matter how hard I can be  
Sometimes

Chrous

I can't believe I misunuderstood it all'  
What will happen when I get A job interveiw,?  
will the same thing happen?  
I hope not,  
Lets not try an misunderstood it all next time

misunderstood you,  
Lets not try an misunderstood you next time,

Ohh yeah
