Never bring yourself down

So What?  
So What? About them  
yeah ohh yeah  
So what, ?

I can be who ever  
you're not gonna stop me Oh  
All I remind my friends is,  
never ever bring yourself down

No matter how hard it can be to be you,  
Still think of all the good things in life  
life is to short not to be happy

Chrous

Never defy a order,  
Never bring yourself down  
who cares Not me,  
Not ever  
Ohh Life is a gift,  
Who Gives about what they say,  
Yeah, Just Follow With What Comes,  
and just think it'll all be over soon,  
School is not forever, my friend

Never bring yourself down,

Ohh yeah

You can make life whatever  
But Just think, Later on They'll all want to be your friend  
to stop feeling bad about what they do to you,  
Baby

Never bring yourself down  
never  
never  
never

never  
never

Be happy U can be sad Then once again  
You have me with this song,  
I'm gonna share with you,  
With you

Ohh yeah

never bring yourself down...

Chrous

Never defy a order,  
Never bring yourself down  
who cares Not me,  
Not ever  
Ohh Life is a gift,  
Who Gives about what they say,  
Yeah, Just Follow With What Comes,  
and just think it'll all be over soon,  
School is not forever, my friend
