Never to return

whats not never to return?
A page in a book thats been ripped?
And thrown away
What what you know..?

am I unexceptible?
am I Always gonna be moody?
Am I ever, gonna be good enough for you
Whats not never to return??

A word that use to be sense many years ago
And now isn't?
What What you know??

I feel Sometimes, ~I'm on the top of everything,
Sometimes i feel I dont need this,
Sometimes I feel at risked,without u

am I unexceptible?
am I Always gonna be moody?
Am I ever, gonna be good enough for you
Whats not never to return??

I want strength
I want love
I want freedom,
I want faith,
Its all I ask,

I want to know whats never to return??

Never return,
Ohh yeah

I want strength
I want love
I want freedom,
I want faith,
Its all I ask,
