silence, our peace has fallen apart  
here I come,  
Musics not loud enough TURN IT up  
cant bare to think you are not satisfied..

#### CHORUS

Thinking tomorrow -  
Thinking yesterday  
Thinking now, about my choice  
dont turn the music its not loud enough yet  
tomorrow commes louder then yesterday

Crankk it up  
dontttttt blow me away  
while I'm still trying to get hold of my kite  
i can travel a distant on an airbloon  
bridge

Words keep in contack ,  
while i'm ch asing the love of my life  
hes not turned up on the door step  
the musics still not loud enough  
he cant hear my pain  
i'm still waiting  
why  
does it have to be this way

da da da da

just going off in my own world  
this one hates me  
I wannabe in another world where i can be how i want  
cause  
music is not loud enough hereee.....  
tabels turning are coming to an end  
while i watch the sun come an go  
as my life wastes away  
cause musics not loud enough..

wispersssss in my head all the time  
wheres my gold metal ,

I've got through  
still no reward of whats to come
