Out Of My Mind

Why is everything changing?
why Can't I just get a life,
and live with it?
what is happening to me??
I'm becoming, out of my mind"
Feeling Like no1 inside,

all I need, is love'
all I need, is thoses 3 words said
all I want is you to stop complaing,
and take a chance, no matter what they say"

Chorus

I'm out of my mind,
I know it to, you know it
I'm going insane,
how do I change?
without stuffing Up everything,
that has come towards me in life?
wanna keep it all together, baby

I dont wanna be out of my mind,
this an I is crazy,thoughts come out of no where
Ohh what is happening, My world turning upside down"

Chorus

I'm out of my mind,
I know it to , you know it,
I'm going insane,
how do I change?
without stuffing up everything,
that has come towards me in life?
wanna keep it all together,baby

Dont wanna Start Over,
Dont wanna let it be game over'

Ohh yeah
I'm out of my mind,

yeah yeah OHHHHH!!!
I'm out of my mind,
OHHH yeahhhhh.
