Right at the wrong time'

Did you think the love I had was pretend'?  
Did you think I was pretending I was something not me  
I was feeling caught in a emotion Right at the wrong  
Time"  
My dreams could of come true and that was to be with  
you

All Reuned now

Chorus

Right at the wrong time  
I can't live if the world ends tonight  
I won't be strong If my smile is broken"  
Into a little mystery problem?

Right at the wrong time

I walked into a private moment  
And I seriously thought a minute  
they thought I was blind with what they were talking  
about  
they must think I'm from a completely different world

Chorus

Right at the wrong Time  
I can't live if the world ends tonight  
I won't be strong if my smile is broken"  
Into a little mystery problem?

Right At The WRong Time

I was hoping my moment would last  
Instead' it came into a mess' right at the wrong time  
My dreams could of come true and that was to be with  
you

I for a long time had feelings for you

I tried to make you see' who the girl I was

Right at the wrong time

I can't live if the world ends Tonight

I won't be strong If My smile is broken

Into a little mystery problem?

I for one have never done anything wrong

But loved you and got hurt' oh how can I forgive?

oh how can I forgive...ohhh
