stand my background

( ohhh Yeah ooo )

come and stand my background  
cum on I know the real you,  
I luv not knowing nothing about you  
your all I find the best  
your all I want, So dont think I'm ever what u dont want  
Baby,

chorus

come an stand my background  
cum an make me happy  
dont want it to be anything  
but u oh I luv u more then words can say  
how do I explain?  
Without twisting my words of wisdom  
where were u when I could hav done a whole lot more  
then I ever could imagine [ ever could imagine ]

Dont BE the negaitive, Be the positive  
come on and do it the better way with me,  
You'll realise in the end what your missing,  
so come an stand my background  
before it's to late to say, what u got to say  
Dont LEt leaVE me Without reasons,  
DOnt let me Without Sum exspertation

The clock can tic whenever it wants  
but i'm still here waiting for you

[ Ohh yeah Ooo yeh Dont Leave Me here Like this.. ]

chorus

come an stand my background  
cum an make me happy  
dont want it to be anything  
but u oh I luv u more then words can say

how do I explain?  
Without twisting my words of wisdom  
where were u when I could hav done a whole lot more  
then I ever could imagine.
