Vision of love

its just like a vision of love'  
I feel so lefted out,  
I feel as if I've been taken on one side  
and lefted some part of me behind,  
all I need is a vision of love from you  
Baby"  
Can you see right through my eyes you mean so much  
more?

chorus

cause I'd be happy than Once again  
I'd feel as if words have been unspoken  
need sense, need love from you'  
need a vision of love  
can't live without knowing your still in my life"  
Before your 2nd thoughts say that word'  
oh baby"

can you teach me, to spin on one spot?  
can throw your arms, across my sholders'  
Oh, theres nothing else better than you loving me:  
oh all I do now is just believe'  
I know the better me, and I know the better you"  
SO DON't be afraid

If there is just one way to get a vision of love from you  
I'd make a smile, and never forget about you,  
From this moment on, til the next, i'm here  
Baby"

Chorus

cause I'd be happy than Once again  
I'd feel as if words have been unspoken  
need sense, need love from you'  
need a vision of love  
can't live without knowing your still in my life"  
Before your 2nd thoughts say that word'

oh baby"

Just need a vision of love from you"

its all I ask"

ohh yeah,

Just need a vision of love from you
