oh! oh! oh!
oh! oh! oh!

winning my chance back
with you winning my life
back again searching for true inside
winning without listening to your naughty words
winning my life back a gain searching for a true inside

winning a life like a dream
winning my life back again searching for true inside
swimming in the sea
looking at a beautiful dolphin

winning a chance with you
winning a life like a dream
swimming in the sea
looking at a beautiful dolphin
oh what a lovely change i have
in my life what a lovely day
what a lovely dolphin

i'm enjoying my swim
i'm loving the sea
my life is back again
i am winning my life back again
i am winning searching for my true inside
searching for my true inside
looking over you're shoulder
trying to jump over
show you how well i can be...
