World on fire

I feel so caught in the middle
just because the world caught on fire, in my dream
I don't want earthquakes, Tumberling my way
I feel like the first person who walked on this plant,

I somehow feel like misimpossible all the way
probably am who knows?

When I dont know
What if the world caught on fire?
who would save us?
Where would we go??
Why Are We Living for
WHy CanT we remember??

who will catch me if i fALL?

World some how caught on fire...
Ohh yeah

And I feel its all my fult cause i dreamt, it happening
I feel now, Unreliable,

I now feel, Unbelievable

I now feel so predictable

Oh I wish I never In the first place,

Somehow I feel Like all of it will get back together its
self in no time

Baby
WHo Would Save us?

what are we living for??

I somehow feel like misimpossible all the way
probably am who knows?

When I dont know
What if the world caught on fire?
who would save us?
Where would we go??
Why Are We Living for
WHy CanT we remember??
