"Yourself Sucks"

Visit "[Yourself Sucks](#)" on MotoLyrics.com

yes yourself sucks
i rule , dont need no note
get the hell out of my face
i dont know you anymore
just the music in my ears , hear

chorus
yes yourself selfssucks
cant take your excuses anymore
you betrayed me
emptiness in life, yes i'm damaged...
you cant save me let me go
and i'll be happy for you
that you and yourself sucks
we are coming to an end

noo but n face to face
i ended thiss
it really sucks to know yourself sucks
like i am awhere
just let me go
yes i emptiness in life ,Yes i'm damage
cause yurself sucks

bridge

be cool , go home
i dont care....
you mean nothing

choruss
