I'm drinkin' stars up in the sky
You know who you are
I'm drivin' cars around your house
It seems so fun

So, listen to my bubble go pop
I'm comin' in, I'm comin' over the top
Listen to my bubble go pop
I'm comin' in, I'm comin' over the top

I'm drinkin' stars up in the sky
You know who you are
I'm drivin' cars around your house
It seems so fun

So, listen to my bubble go pop
I'm comin' in, I'm comin' over the top
Listen to my bubble go pop
I'm comin' in, I'm comin' over the top

Listen to my bubble go pop
I'm comin' in, I'm comin' over the top
Listen to my bubble go pop
I'm comin' in, I'm comin' over the top

I'm blowin' bubbles, I'm blowin' bubbles
I'm blowin' bubbles, I'm blowin' bubbles
I'm blowin' bubbles, I'm blowin' bubbles
I'm blowin' bubbles, I'm blowin' bubbles
I'm blowin' bubbles
