I know you want me
So why don't you like me, baby?
I know you need me
So why don't you please me, baby?

Can't just be something I do for myself
If you want me, let me know
Tell me, it's me and not anyone else
If you want me, let it show

I was strolling alone in the park
The other day
Thinking 'bout the hand that I was dealt
It's not okay

People pass me by with nothin' said
I scream your name
Kids are playing hoops and throwing jacks
This is no game

'Cause I know you want me
So why don't you want me, baby?
I know you need me
So why don't you please me, baby?

Can't just be something I do for myself
If you want me, let me know
Tell me it's me and not anyone else
If you want me, let it show

Let me tell you, love, I second guess
The way you feel
Sleeping all the time when we're alone
This can't be real

Kissing me one night then shaking hands
What is the deal?
Is there just one moment of your time
That I can steal?

'Cause I know you want me
So why don't you want me, baby?

I know you need me
So why don't you please me, baby?

Can't just be something I do for myself
If you want me, let me know
Tell me it's me and not anyone else
If you want me, let it show
