If you make my day
I will make your work
A little bit better (better)

If you make my work
I will make you life
A little bit brighter

I'm a lightbulb yeah
And I'm on fire
I'm a lightbulb yeah
And I'm on fire

Flip the switch with your hand
Flune on the nightstand
Is where you will find me (find me)

If you turn on the light
I'll make everything right
You'll know when you see me

I'm a lightbulb yeah
And I'm on fire
I'm a lightbulb yeah
And I'm on fire

Electricity is flowing through the air
Electricity is flowing through the air
Electricity is flowing through the air

Come to the light
As it brightens you and I
Cool as the moon
As it lights up the sky
Take my advice
You will greatly fear
From the globe
Run from the shadows
It's light where you grow
Woah woah woah woah

If you make my day

I will make your life
A little bit better

I'm a lightbulb yeah
And I'm on fire
I'm a lightbulb yeah
And I'm on fire

Electricity is flowing through the air
Electricity is flowing through the air (everywhere)
Electricity is flowing through the air
Electricity is flowing through the air

I'm a lightbulb yeah
And I'm on fire
I'm a lightbulb yeah
And I'm on fire
I'm a lightbulb yeah
And I'm on fire
I'm a lightbulb yeah
And I'm on fire

Ba ba woah la la la ba ba
Woah la la la ba bum woah
