Feel the vibration
Underneath your feet
A non ground flight
Begins to light

Before you learn how to walk
Before you learn how to rock
You learn to rollerskate
You learn to rollerskate
You learn to rollerskate

Your forward momentum slows
And your travel straight line
You gotta know how to stop
When you do the bunny hop

Before you learn how to walk
Before you learn how to rock
You learn to rollerskate
You learn to rollerskate
You learn to rollerskate

Loop the loop
Around the rink, let's go, I go
Loop the loop
Around the rink, let's go, I go

Loop the loop
Around the rink, let's go, I go
Loop the loop
Around the rink, let's go, I go
I go, I go, I go, I go

Before you learn how to walk
Before you learn how to rock
You learn to rollerskate
You learn to rollerskate

You learn to rollerskate
You learn to rollerskate
You learn to rollerskate
You learn to rollerskate
