"The Fool"

Woah woah
You don't know
When I'm with you
How I feel
Woah woah
I can't explain
Who I am
And what I reveal
Woah woah
What can I do
Without you
A hanging around
Woah woah
What can I say
To keep you
From feeling down

Now it's the end
And you've kept your cool
You wanted a friend
Now you've got a fool

Woah woah
I couldn't sleep
I have that dream
That you're not so shy
Woah woah
And I'm so ashamed
That on that day
I made you cry
Woah woah
What can I do
You've gone and
Left me here
Woah woah
What can I say
It was wrong
That you disappeared

It's not the end
And you'll keep your cool
You wanted a friend

Now you've got a fool

Now it's the end
And you've kept your cool
You wanted a friend
Now you've got a fool
