Refrain:

Oh -Oh I love to love to love you baby
Oh how oh how could you do this to me (me)

Verse 1:

Boy I loved you sooo, but boy you did me wrong
I woulda gave my life if it meant makin you happy babe
But today I see you with her, don't know why you act
soo surprised
That I'm acting like this after what you did (now girl I
think you should)

Chorus:

Now it's about to crazy babe
I'm about to implode inside
This is just between him and I
Might just be too much for your eyes

Now it's about to crazy babe
This shouldn't come as no surprise
Sorry you had to see my other side
But in a minute gloves gonna fly-Yeah

Refrain:

Oh -Oh I love to love to love you baby

Verse 2

Boy you broke my heart
Now I'm back where I started
You told me you wouldn't do me like the other's did
But I'm, Imma trooper Imma live life-life as usual
Imma be alright after I deal with you

Chorus:

Now it's about to crazy babe
I'm about to implode inside
This is just between him and I
Might just be too much for your eyes

Now it's about to crazy babe
This shouldn't come as no surprise
Sorry you had to see my other side

But in a minute gloves gonna fly-Yeah

Refrain:

Oh -Oh I love to love to love you baby

Oh how oh how could you do this to me (me)
