And I- Jazmine Sullivan

[Speaking]: I know she hurt you before but..  
I won't do the same thing.I promise you.  
I can give you what you need baby. Just..Just in trust  
me..  
I can love you right. I promise.  
I love you.

Baby I can show you what you need  
You can call on me You depend on me baby.  
So pull it 1,2,3 don't deny what you feel inside.  
Now I can take you there if you let me, only if you let  
me.  
We can go so gently.  
Boy your heart your protecting,I know that she hurt your  
pride.

So let's take it slow,I'm letting you knowww ouohouoh  
That baby I'm sure I won't let you down,won't let you  
down  
So let's take our time, I promise that I..  
I won't leave your side  
I won't let you down,won't let you down.

And I'll..Be your strength when you weak  
Be the love that you see  
Be the one that you need  
And I'll..Be the air that you breathe  
Be your sight so you see  
So come on baby please  
And I'll..Be your strength when you weak  
Be the love that you see  
Be the one that you need  
And I'll..Be the air that you breathe  
Be your sight so you see  
So come on baby please

[And I Lyrics On ]

We can go at any pace all it takes is for you to embrace  
my love it's okay  
I will supply with everything you need

And my love is oh so good, it's oh so good  
It knows no limits  
Please just give me a try  
Oh I, I won't let you down, wont let you down.

And I'll..Be your strength when you weak  
Be the love that you see  
Be the one that you need  
And I'll..Be the air that you breathe  
Be your sight so you see  
So come on baby please  
And I'll..Be your strength when you weak  
Be the love that you see  
Be the one that you need  
And I'll..Be the air that you breathe  
Be your sight so you see  
So come on baby please

You and me make a perfect team  
But I've denied how you feel inside  
I know she hurt your heart, but that girl ain't me  
But break the chain that she left in your life  
(I swear)Until the day I die i'll be by your side (By your side)  
I promise I'll never hurt your pride (No I won't, Baby)  
Boy, I know it that you love me (love me)  
There's no one above me

Let it all go in pride.  
And I'll..Be your strength when you weak  
Be the love that you see  
Be the one that you need  
And I'll..Be the air that you breathe  
Be your sight so you see  
So come on baby please  
And I'll..Be your strength when you weak  
Be the love that you see  
Be the one that you need  
And I'll..Be the air that you breathe  
Be your sight so you see  
So come on baby please
