

## Jazmine Sullivan "Holding You Down"

Visit "[Holding You Down](#)" on MotoLyrics.com

Why can't I find somebody else  
When I know  
Know that your doing wrong  
It's so hard  
Hard to let go

I done went through just about two packs of tissues  
baby  
And you're looking at me like you aint the issue baby  
And though I tried to leave  
I can't stop missing you baby  
And I keep coming  
I keep coming back

(Keep going in circles, circles)  
Round and round  
And why I'm doing me so wrong I just keep holding you  
down  
I feel so stupid  
Foolish  
Loving you this way  
But what can I say?  
But I wanna go  
(I wanna go but I keep coming back)

Why I'm so confused  
For you I have no answer boy  
Why I fail to use boy you (?) just like a toy  
It's a shame that you don't care enough to even give  
me half the love  
I give to you  
I live for you baby  
I'm ashamed to say that I'm to blame for how you act  
Cause I keep coming  
(I keep coming back)

(Keep going in circles, circles)  
Round and round  
And why I'm doing me so wrong  
I just keep holding you down  
I feel so stupid  
Foolish musicjuzz.blogspot.com

Loving you this way  
But what can I say?  
But I wanna go  
(I wanna go but I keep coming back)

I can't stop  
I  
I can't  
I can't stop missing you baby

And I  
I  
I can't stop  
I  
I  
I can't stop

I'll stay cause I love you but I hate that I stay  
You know I wont go  
That's why you treat me this way  
I wanna be happy  
Though it hurts me so bad  
Don't know what it is that keeps me coming back

Hold up wait up a minute...

Keep going in circles, circles  
Round and round  
And why I'm doing me so wrong I just keep holding you  
down  
I feel so stupid  
Foolish  
Loving you this way  
But what can I say?  
But I wanna go  
(I wanna go but I keep coming back)

Going in circles, circles  
Round and round  
And why I'm doing me so wrong I just keep holding you  
down  
I feel so stupid  
Foolish  
Loving you this way  
But what can I say?  
But I wanna go  
(I wanna go but I keep coming back)
