la la la la la, la la la la la la la la la, la la la la la la la-
aaah

i often find myself caught up in a rapture
i never thought id feel this way you've got me captured
i mean you've got me singing love songs about you
not those pretty songs but marvin gaye tunes
what is this that you have on me
i'm so far in that i don't wanna be free
hold on and never let go
i'm giving you everything i have just to show

that i'm hooked on you (hooked on you)
everything you do
i wish you knew
what you, you do
i'm hooked on you
everything you do
i wish you knew
what you, you do

i cant believe how lucky i am
to have someone i'm so into
because i love everything about you
especially when you do what you do
if you only knew how it feels being me
i guarantee if you were in my seat you'd pinch yourself
to see if it
was
real
so then you'd know i cant help the way i feel

hooked on you (hooked on you)
everything you do
i wish you knew
what you, you do
i'm hooked on you
everything you do
i wish you knew
what you, you do

i'm hooked on you
everything you do

i wish you knew
what you, you do
i'm hooked on you
everything you do
i wish you knew
what you, you do

la,la,la,la,la,la,la,la,la,la,la,la,la,la,la,la

i'm hooked on you
everything you do
i wish you knew
what you, you do
i'm hooked on you
everything you do
i wish you knew
what you, you do

i'm hooked on you
everything you do
i wish you knew
what you, you do
i'm hooked on you
everything you do
i wish you knew
what you, you do
