I want you, I need you by my side
I want you, I need you by my side
Honey, please don't leave me
And please don't make me cry
Because I want you, an I need you by my side

(harmonica, guitar & bass)

I need you an want you for myself
Yes, I need you and I want you for myself
Honey, please don't leave me
Then go chose someone else
Because I want you, an I need you by my side

(harmonica, guitar & bass)

I'm goin' to keep my baby's side
Yes, I'm goin' to keep my baby's tied
Now come on, baby
An please an don't you cry
Because I want you and I need you by my side.
