My woman's gone

My woman's gone

An I swear she left a lonely home

An I swear she left a lonely home

My woman's gone

My woman's gone

An I swear she left a lonely home

An I swear she left a lonely home

Well, I love that woman

Well, I love that woman

But people, she have done me wrong

But people, she have done me wrong

She left me one old bed

She left me one old bed  
An two old broke down chairs  
An two old broke down chairs  
She left me one old bed  
She left me one old bed  
An two old broke down chairs  
An two old broke down chairs  
Well, I miss that woman  
Well, I miss that woman  
From feelin' her coal back curly hair  
From feelin' her coal back curly hair

(Yeah!)  
(Yeah!)  
(Blow that thing Gill, blow it!)  
(Blow that thing Gill, blow it!)

Baby, when you's out and havin' your fun  
Baby, when you's out and havin' your fun  
Baby, when you's out, out and havin' your fun  
Baby, when you's out, out and havin' your fun  
Just remember I'm at home  
Just remember I'm at home  
With my right hand on my gun  
With my right hand on my gun

(guitars & bass)  
(guitars & bass)

'Play it, play it!'  
'Play it, play it!'

I believe I'll do jes' like Jesse James  
I believe I'll do jes' like Jesse James  
I beleive I'll do jes' like Jesse James  
I beleive I'll do jes' like Jesse James  
I'm gon kill that woman  
I'm gon kill that woman  
And then I will change my name.  
And then I will change my name.
