I'm not scared of lions and tigers and bears, no, I'm not  
But I'm scared of loving you I'm not scared to perform  
at a sold out affair, that's right But I'm scared of loving  
you

Am I the only one who thinks it's an impossible task?  
Why it don't last? Is that too much to ask? Why do we  
love love When love seems to hate us?

Sorry if I sound so filled with gloom You say you care  
and I know you do But this is from my experience And  
my conclusion only makes sense

Just 'cause I love you and you love me It doesn't mean  
that we're meant to be I can climb mountains, swim  
'cross the seas But the most frightening thing is you  
and me

I'm not scared of lions and tigers and bears, no, I'm not  
But I'm scared of loving you I'm not scared to perform  
at a sold out affair, that's right But I'm scared of loving  
you

Am I the only one who thinks it's an impossible task?  
Why it don't last? Is that too much to ask? Why do we  
love love When love seems to hate us?

Most circumstances, I know my fate But in this love  
thing, I don't get the game Why does it feel like those  
who give in They only wind up losing a friend?

Just 'cause I love you and you love me It doesn't mean  
that we'll ever be Fly 'cross the ocean, sing for the  
queen But the most frightening thing is you and me

I'm not scared of lions and tigers and bears, oh my But  
I'm scared of loving you I'm not scared to perform at a  
sold out affair, that's right But I'm scared of loving you

Am I the only one who thinks it's an impossible task?  
Why it don't last? Is that too much to ask? Why do we  
love love When love seems to hate us?

I'm not sure though I'm not sure But if we never try,  
we'll never know It's better to have loved then not to  
love at all Not trying is worse than to stumble and fall  
And if we do, I'd rather it be with you 'Cause at least  
there will be sweet memories Oh, I'm not scared

I'm not scared of lions and tigers and bears, no, I'm not  
But I'm scared of loving you I'm not scared to perform  
at a sold out affair, that's right But I'm scared of loving

you

Am I the only one who thinks it's an impossible task?

Why it don't last? Is that too much to ask? Why do we

love love When love seems to hate us?
