Nobody ever love me, quite like you
Your love is like

And ain't no other man is gonna take his spot
And I, I'm so happy you're mine
So I'mma love you love time

Let me love, let me love you time
Let me love, let me love you long time
So let me love, let me love you long time
Let me love, let me love you long time

Let me love, let me love you time
Let me love, let me love you long time
So let me love, let me love you long time
Let me love, let me love you long time

Verse 1:

I never knew someone like you, oh no
And I never felt the way I do before, before, before

I don't wanna lose ya
Won't ever misuse ya
If you ever left
Babe I swear i would lose it
Maybe I should cool it
I know I'm acting kinda foolish
Nobody ever loved me

I got a real good dude and he loves me a lot
And ain't no other man is gonna take his spot
And I, I'm so happy you're mine
So I'mma love you love time

Chorus:

Let me love, let me love you time

Let me love, let me love you long time

So let me love, let me love you long time
Let me love, let me love you long time

Let me love, let me love you time
Let me love, let me love you long time
So let me love, let me love you long time
Let me love, let me love you long time

Verse 2:

This is the sweetest thing I know, for sure (for sure, for sure)
And you, you give me reason, reason to hold on, hold on, hold on

I don't wanna lose ya
Won't ever misuse ya
If you ever left
Babe I swear i would lose it
Maybe I should cool it
I know I'm acting kinda foolish
Nobody ever loved me

Hook:

I got a real good dude and he loves me a lot
And ain't no other man is gonna take his spot
And I, I'm so happy you're mine
So I'mma love you love time

Chorus:

Let me love, let me love you time
Let me love, let me love you long time
So let me love, let me love you long time
Let me love, let me love you long time

Let me love, let me love you time
Let me love, let me love you long time
So let me love, let me love you long time
Let me love, let me love you long time
