It's was early this mornin'

I heard somebody callin' me

It was early this mornin'

Heard somebody callin' me

It didn't call like my reg'lar

Must of been my old used to be

If baby, baby, baby

You don't treat me good no mo'

And if baby, baby

You don't treat me good no mo'

I believe to my soul, baby

You goin' with the boy next do'r.
