### Pico Day Anthem

#### [Verse 1]

Well everyone knows that I'm the best!  
I'm tougher and smarter than the rest  
I got wicked 'do' and a hairy chest and I can really  
make a mess  
So today is Pico day that's right  
We'll party all day and party all night when tommorow  
comes we won't forget  
Unless we drank too much  
Join the party and meet some some friends  
Dance with a turkey and a rooster and a hen  
Be random all night long and send  
Some midgets to Japan!  
Coz the sun won't set it'll last forever  
Let's all join and sing together  
The part of the song that's coming up  
It's the chorus, HERE IT IS!

#### [Chorus]

This is Pico Day  
Join with us as we celebrate  
This is Pico Day  
And it's all about me

#### [Verse 2]

The fun is growing more and more  
People young and old galore!  
We're lucky in the end Michael Jackson's not around

There's fun that's fit for every type  
From trampolines to pillow fights  
Karaoke and Random Brawls will keep us going on  
There are special guest appearances  
By Tom Fulp and Salad Fingers  
Paladin, Xombie and Bitey too  
And they've all come to meet you  
Now the biggest part of all is here  
All join and sing once more  
The anthem for this day of mine  
One, two, three, four

[Chorus]  
This is Pico Day  
Join with us as we celebrate  
This is Pico Day  
And it's all about me

[Repeat chorus]

When all the fun comes to an end and all is done  
Then we live knowing that this day will probably come  
again  
But I'll always be there for you  
To play my games and watch my movies  
Just hold on until this day  
Comes...  
Again!
