We be saggin  
Fly like a dragon  
I be taggin  
And u be braggin

Got the g locks aimin  
G shocks flamin  
I be sayin  
Nikkas be hatin

I aint loso  
I am talkin ruffle  
Yo momma make u work wit a big as shovel  
While I'm uptown causin mad trouble

Dats why dey call mii islive  
Cuz u will neva see mii at de pool tryinna dive  
Cuz I aint stupid  
I'm tryinna stay alive  
Buhht if u wanna be a motha fukka den die

Diz da jazzy boi style  
Wat I just showed u was de title  
U betta leave cuz u gon lose dis battle  
N u betta go home befo u gett recycled

I rap wit quality n quantity  
Flowin wit equality  
Gettin independent automatically  
But I am feelin dis girl odyssey

While I'm murderin u I see da cops  
Imma keep runnin I will neva stop  
Until jazzy boi gett 2 de blokk  
N I will make it cuz I gotta clokk

I am de best n I cause all de crimes  
If u wanna be like mii den drink some lime  
All u think about is ur self n ur riches  
My minds on my bmw benz n bitches
