I'm at home with a pile of junk, that's alright with me
I'm right at home with a pile of junk, honey it don't
bother me
See I could be rolling all candied up, but honey that's
not me
I'm at home with a pile of junk, so won't you roll with
me.

Come on roll with me
(If somebody wanna push you down)
Roll with me
(If somebody's tryin to do you harm)
I said roll with me
(If somebody wanna do you wrong)
Baby you can roll with me
All night long

Sometimes I get kinda drunk, if that's alright with you
I said, sometimes I get way too drunk, baby if that don't
bother you
Baby when I sober up, if you still want to
You're 5 minutes down the road, honey I'll be there in
two.

I ain't sitting on 24's
I got dents in all 4 doors
I know you're itchin to take a spin
Come on open the door, baby jump on in.
