Outside of Town Hall  
There's a small piano bar  
Where a neon sign  
Keeps flashin', Bobo's

Jessie plays a Yamaha  
Underneath the mirrored star  
And that neon sign  
Keeps flashin', Bobo's

Oh, Bobo's not around today  
But still it's Bobo's anyway  
He left that stipulation  
In his will

And when you look around, it's clear  
All us steadies love it here  
At Bobo's  
Bar and Grill

Look at Mr. Miller  
Shootin' pool with Bobby  
Bankin' off the corners  
We love that sound

Look at Peg and Mabel  
Winkin' from a table  
Waitin' for a sucker  
To buy a round

Look at Mr. Johnson  
From the fillin' station  
Pouring out his troubles  
To Ruth McGore

Jacoby McGuire  
Talks about the fire  
He caught a drifter settin'  
At the Pac N' Store

Ha ha ha, ha ha ha, woo  
Tell your story honey

Bobo's  
Well the swells  
Down in Fair Acres  
Would never care to  
Venture near it,  
Bobo's

So noisy that a heart could break  
But a bug could never hear it  
Bobo's

Ford's and Chevy's backin' up  
Hey, don't smack my pickup truck  
And that neon sign  
Keeps flashin', Bobo's

Coffee for a dime a cup  
Pecan pie, a half a buck  
While that neon sign  
Keeps flashin', Bobo's

So if you wanna run and hide  
From what's not happening outside  
The atmosphere at Bobo's fills the bill

Yeah, yeah, woo  
Come on inside and have a beer  
Spend the happy hour here  
At Bobo's  
Bar and Grill

Look at Mr. Bradley  
Hockin' his insurance  
Not a sole's listenin'  
They never do

Sammy full of Bud now  
Rythym in his what now  
Sings another chorus of  
Babaloo  
Go Sammy, baby!

Ha ha ha ha

Bobo's  
When all the pain of failin'  
Gets so bad  
You think you'll never shake it  
Bobo's

I lost my job  
My kid is sick  
Jesus, God, how can I take it?  
Bobo's

The laughters much too loud  
To let you think of how  
You'll never make it  
You'll never make it  
You'll never make it!

Outside of Town Hall  
There's a small piano bar  
Where a neon sign  
Keeps flashin', Bobo's

Jessie plays a Yamaha  
Underneath the mirrored star  
And that neon sign  
Keeps flashin', Bobo's

Ah, Bobo's not around today  
But still it's Bobo's anyway  
He left that stipulation  
In his will  
Yeah

And when you look around, it's clear  
All us steadies love it here  
At Bobo's  
Bar and Grill

Do do do do  
Do do do do  
Do do do do  
De do do do

Do do do do  
Do do do do  
Do do do do  
De do do do
