Chorus:

So the star needs a stage  
To change her clothes  
And the natives are restless  
Their anxiety shows

He:

And their hostile posture  
Seems to say

She:

When will she be back?

He:

Who the hell are they?

Chorus:

But the knowledgeable gypsy knows  
It's ridiculous to throw a fit  
That's the way things are  
When they pay to see a star

He:

But...

Chorus:

Little do they know  
And little do they see  
Without us paying court  
Without us in support  
How lousy she might be

She:

When we go...  
[Music plays]

He:

They don't even stir

Chorus:

When we go...  
[Music plays]

Chorus:  
They only look at her

Girls:  
Such inequality

Men:  
Little do they know

Girls:  
Ooh-wah, ooh-wah

Men:  
That we are even there

Girls:  
Ooh-wah, ooh-wah

Chorus:  
Yes, that's the gypsy's curse  
And what is even worse  
Little do they care

Men:  
Mornings at the bar

Women:  
Mornings at the bar

Men:  
Sweating through the class

Girls:  
Sweating through the class

Girl #1:  
Yet she's the one they spot

Girl #2:  
No matter what you got

Girl #3:  
On how you posturesque

Chorus:  
If the like...  
[Music plays]

Chorus:  
We didn't hear the proof  
Yet she goes...

[music plays]

Chorus:

And hear them raise the roof  
Talk about equity  
Gotta have a dream

Girls:

Ah ah ah ah

Men:

That isn't mine alone

Girls:

Ah ah ah

Chorus:

Each gypsy that you see  
Is just the same as me  
The fact is why we know  
Someday I'll go so far  
That I'll become a star  
With gypsy's of my own!
