I can't believe that every day and every night  
It's getting better with you out of my life  
It's like I've flicked a switch and now I'm feeling good  
No way of stopping, now you wish that you could  
When the weekend comes I know I'll feel alive  
You will be the last thing on my mind  
No regrets, do you know what that means

If how, if now, if when  
We'll dance to this track  
And I don't care what anybody thinks about that  
Hands to the sky, and throw your head back

I can love again tonight

We'll dance to this track  
And I don't care what anybody thinks about that  
Hands to the sky, and throw your head back

Bounce, bounce, bounce
