See that fine
Full fresh river that's a flowin'
Like the place that I'll be goin'
On the day I die.
That red-wood tree
Growing higher than a masthead
Won't allow no force to blast it
's branches from the sky.
This morning dew, don't it take like wine to you
In this brand-new world so brave and true.
This golden corn is gleaming like it's just been born
In a brave new world, a brave new world ... out of the
blue
See that fat
Salmon swimming in the water
Has anybody
Ever caught a
Fish like that at all ?
There's herds of deer
And droves of Buffalo a roamin'
It's enough to do your dome in
It's A mercial !
This morning dew, don't it take like wine to you
In this brand-new world so brave and true.
This golden corn is gleaming like it's just been born
In a brave new world, a brave new world ... out of the
blue
Feel that sun
Like a great gold gong that's beating,
Like a brass-bell fanfare greeting
Summoning the day.
And hear that bird
Unfurls it's song and hoist it flying
Like a flag that's testifying
More than words can say.
This morning dew, don't it take like wine to you
In this brand-new world so brave and true.
This golden corn is gleaming like it's just been born
In a brave new world, a brave new world ... out of the
blue
