Verse 1

Spending to much time on the wrong things
And it wasn't right for me
Spending to much time on the temporary
And it left me incomplete
I'm over me now

Chorus

These days I'll be lovin' you
You will find me lovin' you
Never been so free lovin' you
Cause you, Oh, lovin' you

Verse 2

Feeling every single emotion
That a beating heart could know
Feeling like I simply just need to adore you
You satisfy my soul now
I'm into you now

Chorus 1x

These days I'll be lovin you (I'll be lovin')
These days I'll be lovin you (I'll be lovin')
These days I'll be lovin you (I'll be lovin')

Chorus 2x
