See I was the one running in and out of any and every
woman who showed me attention, I didn't care
I was cold, I was cruel, I was mean, I was lost, I was
heartless (Ay)

Reminiscing got me visioning of me living my life
without you and I just can't live without you, I'm dead
You're the blood in veins, you're the force of the
change in my life (Ohh yeah)

Refrain:

Renovation, renovation
She came into my life and forced her change (Yeah)
Renovation, renovation
And I can't believe you're reconstructing my ways
(Yeah)
Oh, renovation
You're my renovation (Oh yeah)

Verse 2:

At first I was criticized for not having a woman
But now they be trying to criticize my woman
That ain't fair, cause she's good to me, not perfect, but
good to me
She gave me a family, and she made me believe in
love again
That love is heaven sent, I'm so convinced
But she doesn't know what she's done for me, given
me all of her love
And nothing is ever hard for me

*Refrain:

Renovation, renovation
She came into my life and forced her change (Yeah)
Renovation, renovation
And I can't believe you're reconstructing my ways
(Yeah)

Ay, See you can go running from love
But, but you can't get away from love
And, you can have a heart of steel, like no one here
But you're still gonna hurt down

That's why I stopped running from love
And, I let her give me all of her love (Yeah)
Reconstruction, frustration, renovation

*Refrain:

Outro:

She doesn't know what she's done for me, given me all
of her love.
And nothing is ever hard for me.
