Feeling electric, feeling electric. Yea  
Feeling electric, feeling electric  
1 2 3...

[Verse 1:]

Her name was keysha  
I could tell by the way she spelled her name  
That she was different  
Such a pleasure to meet her  
She turned down every man in the room  
But it was a full moon  
And the bond we had was electric  
Something like electricity  
She did to me, she put it on me  
Ooh

[Chorus:]

Baby I'm shocked  
It's as if I'm plugged in the wall  
You came and made me fall  
In love with you  
And now baby I'm shocked  
And when we ain't on the phone  
I seem to have a jones  
Cause I feel so all alone  
And I'm shocked  
And you can see the hair all over my head is sweating  
all over my hands.  
Can't get her out of my bed?  
I'm shocked  
Cause you turned a player into a lover  
God knows that I love yah  
And I gotta admit, that I'm shocked

[Verse 2:]

Oh when she leaves me  
I can still feel her presence in the room  
I know that she can hear me  
Ah, when I'm making a battle out loud  
I'm wild bout love  
I can't hide from her touch  
Her electrical currant got me over hear buzzing

Redefining energy, just surging me

[Chorus]

[Verse 3:]

It's like a put some scissors in the outlet  
And you will never ever have a better outage  
It's like a put some scissors in the outlet, yah  
And you will never ever have a better outage

[Chorus]

[Verse 4:]

So shocked yah I'm feeling electric feeling electric yea  
I'm feeling electric, yah I'm shocked
