[Intro, Lil Kim]

It's Lil' Kim, Queen B,
I'm chillin' with my Babyboy Bistro,
We might be a lil' late, cuz me and Bistro in the back,
doin' all things.
Luv you.

[Verse 1 - JC]

Come at your arrive, Baby take a ride, I just wanna ride
witchu-chu.
Baby you and I, can have a good time, tell me what you
like, uh,uh.

(Look Ceo, all I'm sayin' is, I know you got a situation,
but it's not necessarily a good situation, support you,
let me be your Superman.)

I'm lookin' for somebody I can call my boo,
Lookin' for somebody I can give my heart to.
I don't want a woman, that's ? theirsself
I just want a woman, lookin' for a good man.
See, I need a Queen, cuz I'm a King.
I need a woman, that show me, how it should be.
Any exchange, I'm gonna be, all you do ask me, your
everything.
I be all you need and more,
just open up your door and let me love you more than
he ever did.
You need to save ya and I can be your Superman, just
let me put my cape on!

[Chorus]

Let me be your Superman, your Superman.(4x)
Cuz Baby, there's nothin' (there's nothin') to speak in
my life, it's just you, Girl.
I promised this from ? when I see.

[Verse 2 - JC]

You and me together, picture perfect.
I spent all the money and my time, cuz you worth it.
It's just me and you, you, you, whatchu wanna do, do?

Go ahead and make a move.
Cuz you don't need him, don't wanna be with him.
You need to be with a ??? fair.
I'm just speakin' true(fuly), got me in this spoof,
hollerin' ooh, ooh.

[Chorus]

I wanna be your Superman, your Superman.
Let me be your Superman, your Superman.(3x)
Cuz Baby, there's nothin' (there's nothin') to speak in
my life, it's just you, Girl.
I promised this from ? when I see.

[Verse 3 - Lil Wayne]

I can be your future, I can be your teacher, be your
professor, right down this lecture.
You want some extra credit? Let me check your home
work.
I could be your tutor and help you with exams, no fairly,
or it's some matter for you?
You got them goodies and I got the sweet tooth, like he
all blame me.
Home got be and I just wanna see, I just wanna see if
you're taller than me,
No really, I want see if you're my Misses Carter to be.
I know this is ? for me, now I just act like your talkin' to
me.
