The door is coming off the hinges  
About to pass out, no doubt it's hot in here  
Because the club is full of women  
It's wall to wall and I got my crew with me

We grab a table spot to chill in  
Hunt down a waitress, make an order  
Here we go  
Throw back a drink and let it kick in  
It takes a minute  
Who's ready to have some fun?

Get up and take a lap and mingle  
Love being single on a night like this, yea  
So many beautiful young people  
That game is lethal, you don't have to kill them though

Just look at everyone as equal  
While you were dancing she was watching, feeling you  
Her and her girlfriends by the speaker  
All moving on each other, this is when the show begins

Baby girl you keep looking at me  
Move your body so sexy  
Nice and slow, watch you roll  
You know how I like it

Baby girl cause you know you got me  
Move your body so sexy  
Nice and slow, watch you roll  
You know how I like it

Some girls dance with women  
Knowing that it gets them attention  
And I wanna get in with them  
So pass me a drink and lets roll  
(Come here girl)

Some girls dance with women  
Knowing that it gets them attention  
I wanna get in with them

So pass me a drink and lets go  
(Lets go)

Might have to peel me off the ceiling  
I'm like a soda that's been shaken up... boom  
I find the playfulness appealing  
That cat and mouse chase  
On your mark, get ready, go

Send you a drink, see what the deal is  
Held up your glass and blew a kiss, and took a sip  
When you were finished, back to business  
You and your girlfriends group up  
This is how you draw them in

Baby girl you keep looking at me  
Move your body so sexy  
Nice and slow, watch you roll  
You know how I like it  
(Yeah)

Baby girl cause you know you got me  
Move your body so sexy  
Nice and slow, watch you roll  
(Yeah)  
You know how I like it  
(Come on)

Some girls dance with women  
(Oh)  
Knowing that it gets them attention  
(Yea-yea)  
And I wanna get in with them  
So pass me a drink and lets roll  
(Lets roll)

Some girls dance with women  
(Yea-yea)  
Knowing that it gets them attention  
I wanna get in with them  
(Oh)  
So pass me a drink and lets go

Oh, I like the way you twerk it, twerk it, twerk it  
You and your girlfriend, sexual whirlwind  
(Yea)  
Right there booty jiggling while you jerk it  
Dirty's gonna work it out  
(Do that thing)

Now I need to put my work in

Double my pleasure, whatever, lets get together  
(Work it)  
Spend the night with me, that's all right with me  
(Shake it girl)  
Long as you bring the thong, the thong thong  
(Work those hips, girl)  
If you wanna freak make noise  
I'm the boy

I, like, sipping on juice and gin  
Touching bucknaked skin  
Your girlfriend and twin

Step right up and spin the wheel  
All charged up on what you feel  
Make an approach tryin' to keep it real  
What's your name, girl?

Try your luck and spin the wheel  
All charged up on what you feel  
Make an approach tryin' to keep it real  
I wanna take you home

Yea-yea

Some girls dance with women  
(Women)  
Knowing that it gets them attention  
(Whoa...)  
And I wanna get in with them  
(Whoa...)  
So pass me a drink and lets roll  
(Come on)

Some girls dance with women  
(No)  
Knowing that it gets them attention  
(Baby yea)  
I wanna get in with them  
(Oh yea)  
So pass me a drink and lets go  
(Lets roll)

Some girls dance with women  
(You wanna dance with me mami?)  
Knowing that it gets them attention  
(I'm gonna freak ya girl)  
And I wanna get in with them  
(I wanna work you mami)  
So pass me a drink and lets roll  
(Oh)

Some girls dance with women  
(Na na na...)  
Knowing that it gets them attention  
(Na na na...)  
And I wanna get in with them  
So pass me a drink and lets roll
